

## **Tsonami 2011 selected works**

We would like to thank all those who submitted proposals for this year's Tsonami Festival. We received many interesting works and it was a complex selection process due to limited quotas and available space.

Of course our heartfelt thanks to all who took the time and had the enthusiasm to participate. The selected 2011 projects by category are:

### **Concerts**

- 1.- Coleoptero (Chile)
- 2.- Because: Felipe Loáiciga, José Ripalda, Marco Colasso, Christian Oyarzun (Costa Rica /Ecuador/Uruguay/Chile.)
- 3.- Constantine Katsiris (Canada)

### **Interventions**

- 1.- Pablo Saavedra (Chile)

### **Instalations**

- 1.- Kent Gustafsson (Sweden)

### **Radioart**

- 1.- Joaquín Cófreces (Argentina)
- 2.- Kevin Logan (UK)
